Operating Agreement WG: Goals

• Support “One ALA” and ensure its financial sustainability.
• Simplify financial reporting to reflect ALA financial realities.
• Ensure ALA has sufficient resources to cover the costs of shared infrastructure, core values and mission-based work, and strategic investments.
• Align financial reporting, budget planning, and strategic planning with the Pivot Strategy (2020-21 ALA CD#36).
• Preserve the autonomy necessary for Divisions and Round Tables to meet the unique programmatic needs of their members.
• Continue to encourage innovation across all ALA units.
Working Group recommendations to the Executive Board

1. The Executive Board accepts the OAWG final report and presents the rewritten policy and outline for changing internal processes and procedures to ALA Committee on Organization for their review, continued association wide feedback, and forward to the Executive Board and Council for final review and vote.

2. If the new policy [draft] is approved the right direction, authorize an Implementation Task Force to develop a new budget process that consists of ALA management including Division Executive Directors and ALA division budget leaders to outline a new budget process. This process should be developed during FY23-24 with a report to the Executive Board, Division Boards, and Council. The goal would be to implement a new process for FY25.

3. The Executive Board encourages the ALA Executive Director to form an internal working group to revise the Operational Practices that update and include accountability and service expectations for shared services.
3. Operational Practices

• Executive Director Hall has formed an internal staff group to update, modernize, and align the operational practices with the OA WG recommendations

• Issues under consideration
  • General update of the practices
  • Replace internal transfer of overhead, and consider applying that same change to Round Tables and ALA Offices using a well-defined allocation of shared services approach
  • Develop Accountability measures that review and ensure quality and service level of shared services.
  • Address and define historical Net Asset Balances of Divisions
2. Budget Process: new language

The ALA budget process is codified in Operational Practices and is based on transparency, collaboration, and cooperation between all units. It is a process that is iterative, inclusive, and accountable. Division Boards have responsibility for developing and approving budgets and multi-year program and financial plans, which are then reviewed by ALA management and BARC. Annual budgets are approved by the ALA Executive Board. Division representative(s) have the ability throughout the review process to support their approved budget requests. Divisions will receive reports on revenue and expenses (income statement) in a timely manner to effectively monitor their budgets. Divisions have the responsibility to alert the Association to multi-year budget cycles and any planned activities that could have a potential negative impact upon the fiscal stability of the Association. In turn, Divisions will be kept informed about the Association’s financial health and will be involved in meaningful consultation when there is potential impact on Divisions, collectively or individually.
2. Budget Process: OA Implementation TF

1. Two Division Representatives from each of the 8 Divisions (Division Executive Director + Division Treasurer)
2. BARC Chair, Karen Schneider
3. ALA Treasurer, Peter Hepburn
4. Round Table Coordinating Assembly Convenors (Charles Kratz and Mark Robison)
5. ALA Executive Director, Tracie Hall
6. Chief Financial Officer, Dina Tsourdinis
7. Budget Director, Brad Geene
8. Director Governance, Sheryl Reyes

12 Volunteer Leaders and 12 Staff
2. Budget Process: Considerations

1. Historical net asset balances
2. Two-year budget cycles
3. Endowment contributions and distributions
4. Incentivizing Divisions to increase revenue
1. Rewritten Policy

- Removes “historical baggage” language
- Removes redundant repetition of Bylaws and other portions of the Policy Manual; references to historical staff titles and offices, etc.
- Supports “One ALA”
- Clearly articulates exhaustive list of shared services and shared member values or mission-based activities
- Clarifies the fiscal realities of ALA’s operational practices
- Emphasizes transparency, collaboration, and cooperation between all units in budget development, operational practice, and strategic planning
Easier stuff: Minor recommendations So Far

• A.4.3.4.5
  – Section D. - add “timely” to financial reports
  – Move Section B regarding Net Asset Balances within Section D
  – Section E – add “otherwise a recommendation to the ALA Council will be made for dissolution.”

• A.4.3.4.7 Personnel
  – Correct typo from hard to “head”
  – Change “convey recommendations” to “convey review” to ALA Management.
Harder Stuff

• Division Conferences as non-business
  – Defined in the Bylaws – Article VI, Section 8

• Endowment Decisions
  – Defined in Constitution, Article IX, Section 2
  – Defined in A.6.5.1 Long-Term Investment Funds: Association’s Use/Withdrawal and Repayment
**Endowment**

**Original**

A.4.3.4.6 Financial

E. Endowments

Divisions may establish endowments or add to existing Division endowments from any source including existing fund balances once the Division has reached a minimum fund balance as determined by the Division and approved in accordance with the budget review process and approved financial plan. The establishment of Division endowments will follow the guidelines outlined in ALA policy. The use of the interest from these Division endowments will be subject to Division Board approval and applicable ALA policy.

**New**

A.4.3.4.5 Financial

C. Endowments

Divisions may establish endowments or add to existing Division endowments from any source, including historical net asset balances or budgeted revenue that exceeds expenses, once ALA's liquidity position and budget can support the Division endowment transfer. The establishment of Division endowments and associated spending policy will follow the guidelines outlined in ALA policy A.6.5.1.

Net asset transfers by the Divisions to the Endowment Fund will be reviewed and approved as part of the budget process and after review of ALA's liquidity position to determine sufficient cash balances to support the transfer.
