November 2023: Formalizing DG

- Step 3
  - Formalizing Data Governance at your institution
- Charter, framework, policies
- Potential session format?
  - Panel of volunteers: show the documentation used by their institution?
  - Breakout rooms where each reviews a single institution’s documents?
  - Other?
December 2023: Wichita State University

- David Wright, Chief Data Officer
Breakout Rooms: October & November sessions

- What are the key questions/topics to cover in the session?
- What is a good modality for the session? For example, a panel discussion, a single presenter, a full-group discussion, small group discussions in breakout rooms, a speed-dating exercise, OTHER?
- Who (in breakout room) might consider being part of the session as a panel member, presenter, etc.? (Sharing your name is not an agreement to present :-(
- Who do you know, or have seen prior presentations/materials from, (NOT in your breakout room) might be willing to share on this topic?
- PLEASE NOTE: We are actively seeking volunteers with in-progress work to share as well as completed work. Sharing in-progress work is a great way to generate ideas and collaborate.
Breakout Rooms

Room 1 & 2: DG Resources: What books, websites, organizations, conferences have you utilized to learn about DG and to use as models at your institution?

Room 3 & 4: Vision & Sponsors: What process have you used, or are you considering using, to develop your institutional DG vision and recruit sponsors and champions?

Room 5 & 6: DG Documents: What was or is your process for creating a charter, framework, policies, etc.? What lessons have you learned? Examples to share?
Sharing Out: 1 minute from each Breakout Room
