Tribal Nation Partnership and Services

August 22, 2022

Maddie’s Fund Community Conversation Speaker
Glenda S. Davis, Founder & President - Animal Rez-Q Inc

Ya'at’eeh - “All be good with you”

Native American, Dine’ Women of the Water’s Edge Clan, born for the Salt People. Resides in Sawmill, AZ (Navajo Nation) as the fourth generation living within the community. A Native Professional Women as a “microbiologist with a MBA”.

Founder & President of Animal Rez-Q, Inc. an inter-tribal nonprofit that provides low cost animal wellness for pets, horses and herds of tribal members directly into tribal communities. We focus on the safe delivery of animal wellness services within tribal nations, during the COVID pandemic.

Completed work with the US 2020 Census team as a Census Field Manager. Retired from the Navajo Nation after 33 years with 10 years of experience as a Large Animal Veterinary Technician, 23 years of experience as a Program Manager (Veterinary & Livestock Program & Animal Control Program) and 35 years of providing animal services directly to the Navajo People for their livestock, horses and pets.

AZ Certified Veterinary Technician. Retired paint horse breeder and trainer. Enjoys family gatherings and a firm believer in the Dine’ traditional concept of living.
Animal Rez-Q Inc - 501(c)(3)
“Healthy Animals, Healthy Families, Healthy Communities”

✓ Established in Sept 8, 2014 - EIN 47-1827054

✓ Gained non-profit status Sept 18, 2014

✓ MISSION: To provide affordable cost animal wellness services directly into Native American communities

✓ Five core service areas:
  ✓ Animal wellness services for herds, horses & pets
  ✓ Humane education
  ✓ Genetic improvement and herd development/management
  ✓ Overpopulation control and grow humane communities
  ✓ Youth Impact Programs

www.AnimalRezQ.org / Visit us on Facebook/AnimalRezQ
Obstacles to obtaining veterinary care on Navajo:

1. Limited number of veterinarians on the reservation
2. Distance to travel to a vet clinic
3. Expense of animal treatment, gasoline cost & logistics to wait for an animal to be treated
4. COVID-19 pandemic impacts on Navajo
Week long vaccination schedule - Daily activities

- Drive to chapter location
- 8:00am set up
  - Registration table
  - Traffic cones
  - Three vaccination stations - 1, 2 & 3
- Begin at 9:00am (Conduct services until inventory exhausted or 200 pet number reached) Each pet receives free services:
  - Canine or feline distemper combo
  - Rabies vaccination
  - Oral deworm
  - Microchip.
  - One-on-one humane education
- Break down site
- Travel to the next chapter site; overnight; camp out
Navajo Nation Vaccination Blitz 2022
Animal Wellness (Disease prevention & parasite reduction) within ten Navajo Chapter Communities

- Provided FREE distemper combo vaccinations, rabies vaccination, oral deworm, and microchip
- Partnered with ten Navajo Chapters
- Sponsors included:
  - Animal Rez-Q Inc
  - Maddie’s Fund BIPOC Grant
  - Petco Love Vaccination Grant
  - Navajo Department of Resource Enforcement
  - Navajo Animal Control Program
  - ARQ Volunteers

Animal Rez-Q: PAST EVENTS

- Purchased ARQ transport trailer
- Delivery 4 pallets of pet food for elderly with pets to COVID warehouse partnership with Best Friends
- Delivery 72 pallets of pet food to COVID warehouse in partnership with Sheila of NAGI Foundation & Leanna with AZ Friends of Animals
- Herd Wellness Services for Cattle & Sheep
Animal Rez-Q: PAST EVENTS

- 2021 No Place Like Home Challenge
- Navajo Nation Proclamation
- Present partners include:
  - The Navajo Nation, Navajo Animal Control Program, Navajo Nation Operation Puppy Rescue, Navajo Housing Authority, Indian Health Services, the Animal Organizations of the Best Friends Partner Group, and Midwestern University
- YouTube Animal Welfare Video
- RVETS Partnership
- World Rabies Day 2021
2021 RVETS Equine Services

Treated 158 Horses

391 miles were covered in five equine sites

Some unique attributes to the services include:

- We moved every day to a new site
- We camped & cooked in the field
- Everyone donated their time for the services
- During these services, the need for an educational component grew
