Dear Delegate,

By societal Constitution and Bylaws, Sigma Xi, the Scientific Research Honor Society, is governed by volunteer officers, a Board of Directors, and an Assembly of Delegates comprised of chapter and Membership at Large representatives.

The 2022 Sigma Xi Assembly of Delegates gathers chapter representatives worldwide to act on business and governance items, as authorized by the Society's bylaws and constitution for the 123rd year. Delegates vote on governance decisions and resolutions that guide Sigma Xi’s mission and vision, including decisions related to programs, chapters, membership, and the International Forum on Research Excellence (IFoRE).

IFoRE '22 will feature Key Thought sessions that showcase the ideas, discoveries, and insights presented by selected speakers and participants to illuminate the research process and achieve research excellence. Throughout the weekend, you will have opportunities to connect with peers and mentors; attend lectures, panel discussions, and interactive workshops; explore student and professional research presentations; enjoy science-themed art & theater; and celebrate IFoRE receptions, luncheons, and award banquets.

On behalf of The Society, I thank you for your leadership and service, and welcome to IFoRE and the 123rd Assembly of delegates.

Thank you,

Richard Watkins, PhD
Director of Membership and Chapters

The proposed Standing Rules for the hybrid 2022 Assembly of Delegates will be presented for adoption during the Assembly of Delegates Meeting I.

Proposed Standing Rules for the Hybrid 2022 Assembly of Delegates

The 2022 Assembly of Delegates (AOD) shall be conducted in a hybrid fashion (both in person and in an electronic facilitated format) in accordance with the adopted Articles of Incorporation, Constitution and Bylaws, and other rules and procedures of Sigma Xi (the Society). The Society’s adopted parliamentary authority is the current edition of Robert's Rules of Order Newly Revised.

According to the constitution, “accredited delegates” consist of chapter delegates, membership-at-large delegates, and the members of the Board of Directors, including the officers. [Constitution Article III, Sections 3. C, F, & G]

These proposed Standing Rules for the Hybrid 2022 Assembly of Delegates were presented for review to the delegates, chapters, and membership-at-large prior to the AOD. Their adoption by the voting delegates on November 3, 2022, requires a two-thirds vote.

1. Login time. The technology team shall make available the Internet meeting service no less than 45 minutes before the start of each meeting.
2. Display of Badge. In-person attendees shall display the badge provided in the delegate materials which includes their name and chapter or members at large.
3. Transfer of Delegate Status. A member registered as an alternate delegate may, upon proper clearance by the Credentials Committee and up until three hours preceding the convening of the first meeting of the AOD, be transferred from alternate delegate status to delegate status (chapter or MAL), as appropriate, in the event the appointed delegate is unavailable for business.
4. Technical requirements and malfunctions. Attendees shall use Google Chrome or Microsoft Edge to connect to the online platform for the AOD meetings. Electronic connection to the meeting is the responsibility of each attendee. No action shall be invalidated on the grounds that the loss, or poor quality, of an attendee’s individual connection prevented the attendee from participating in the meeting. All attendees, virtual and in person, shall use a device that provides access to their email for the purpose of voting. For admission to the AOD and to facilitate credentialling, all attendees shall clearly identify themselves as required, providing their first and last names along with their affiliated chapter or membership at large, when signing into the meeting platform. Attendees shall maintain audio access throughout the AOD whenever present and sign out upon any departure before adjournment. Attendees’ telephones or digital devices shall be muted automatically upon entry to
the audio-conferencing portion of the AOD and remain muted throughout the AOD, unless recognized by the presiding officer to speak.

5. **Forced disconnections.** The chair may cause or direct the disconnection or muting of an attendee’s connection if it is causing undue interference with the meeting.

6. **Recordings.** The AOD shall be recorded for the purpose of ensuring accuracy in the meeting record.

7. **Assignment of the floor.** To seek recognition by the chair, an accredited delegate attending virtually shall type his/her name and affiliation (chapter or MAL) in the "Live Q&A" feature and an accredited delegate attending in person shall provide their name and affiliation (chapter or MAL) to a microphone monitor and state: (i) the purpose for which recognition is being sought; or (ii) the intention to speak for or against the motion. The microphone monitor shall enter the information into the "Live Q&A" feature for the in-person attendee. The raise hand feature shall not be used for these purposes. An in-person technology team member shall monitor the "Live Q&A" feature and collaborate to ensure equity of recognition and keep track of the speaking order. The queue shall be cleared after each new debatable motion is stated by the chair.

8. **Interrupting motions.** Members wishing to make the interrupting motions Appeal from the Decision of the Chair, Call for the Orders of the Day, Parliamentary Inquiry, Point of Order, Raise a Question of Privilege, and Request for Information shall seek recognition as described in rule no. 7 and state the interrupting motion through the "Live Q&A" feature, both in person or virtually. No other motions shall be allowed to interrupt. An in-person technology team member shall assist the presiding officer to ensure interrupting motions are promptly addressed.

9. **Identification of speaker.** When recognized by the chair, an accredited delegate shall state his/her name and whether a chapter delegate, a member-at-large delegate, an officer, and/or a member of the Board of Directors.

10. **Motions submitted in writing.** Accredited delegates wishing to make a main motion or to offer an amendment to a main motion, shall, before being recognized, email the motion to executiveoffice@sigmaxi.org. Resolutions, including expressing the sense of the AOD, such as courtesy or commemorative resolutions, shall be recognized.

11. **Motions or resolutions of a substantive nature,** except those offered by the Board of Directors, shall have been submitted in writing to the executive secretary at executiveoffice@sigmaxi.org by Saturday, October 15, 2022.

12. **Display of motions.** Main motions, or the pertinent part of main motions, amendments, and other documents currently before the assembly, shall be displayed, to the extent feasible.

13. **Debate.** Accredited delegates shall have the privilege of the floor on issues before the assembly. To the extent possible, the presiding officer shall recognize speakers in alternating order of speaking in favor or against a motion. Speakers are limited to two speeches of not more than one minute on any debatable question. No one shall speak to a debatable question the second time until all who desire to speak have
spoken for the first time. Total debate time on each main motion shall be limited to
ten minutes.

14. **Voting and balloting.** Votes shall be taken by unanimous consent or by an external
electronic voting service. A member who is not an accredited delegate may be
recognized to speak during the Questions & Answers period in Meeting II. During
this period, such member shall seek recognition, as described in rule no. 7.

15. **Technical and Conforming Changes.** The Board of Directors shall be authorized to
correct article and section designations, punctuation, grammar, syntax, and cross
references and make such other technical and conforming changes as may be
necessary to reflect the intent of the decisions arising from the AOD.

16. **Meeting duration.** The AOD shall continue until all business on the agenda has been
completed.

17. **Minutes.** The Executive Committee of the Board of Directors shall review and
approve the minutes of the AOD. The minutes of the AOD, including all reports and
other materials for the permanent record or printed proceedings, shall be made
available to the membership via the Society’s website and online communities.
